# Commitment to the Indigenous Community

Calibre would like to acknowledge the Traditional Owners, past, present and future of the land upon which we operate, and we recognise the contribution which Aboriginal & Torres Strait Islander peoples bring to all aspects of society.

Calibre aims to improve our current engagement levels with the Indigenous community by building on existing relationships and by promoting respect and opportunities for Aboriginal & Torres Strait Islander employees and the communities within which we work. We are committed to attracting, embracing and fostering diversity at all levels within our organisation, as this is essential to living our values, building our culture and achieving our goals.
